

JAYPALSINH RATHOD

BACKEND DEVLOPER

 +91 9265893345  veraval , Gir somnath  jaypalsinhrathod64@gmail.com

ABOUT ME

I am a Python backend development enthusiast with knowledge of frameworks like Django. I have built small-scale projects using REST APIs, worked with databases like SQLite and MySQL, and have a strong desire to learn and grow in real-world backend development. I am eager to join a team where I can apply my skills, learn from experienced developers, and build scalable applications.
